ATTENTION!

Please note that from October 2012 I publish the **Airplay** country music chart, instead of the new **Hot Country Singles** chart, because I dislike the current methodology. The new *Hot Country Songs* is more crossover-oriented than its predecessor and the songs spend... 500 weeks at number one (Sam Hunt, Florida Georgia Line etc.) which is annoying. I prefer the Airplay chart. Also because Billboard magazine is not published weekly anymore, I use the scanned charts from Billboard [Country Update](#) PDF (which is available every Monday).

BETWEEN THE BULLETS

'OVER' THE TOP

Miranda Lambert seals the deal on a third Hot Country Songs No. 1 as "Over You" jumps 3-1 in its 20th chart week. She most recently dominated the radio list with "Heart Like Mine," which needed 21 weeks to lead the May 28, 2011, chart. Prior to that, 2010's "The House That Built Me" was her first leader after 10 earlier hits. Lambert's new No. 1 marks the second for a solo female artist this year—Taylor Swift's "Ours" reached No. 1 in March. In all of 2010 and 2011, only eight songs by solo female artists hit the top (four in each year).

BETWEEN THE BULLETS

'FLY' FLIES TO NO. 1

Jason Aldean claims his seventh leader on Hot Country Songs—his first in almost a year—as "Fly Over States" steps 2-1 on the audience-ranked chart. He most recently topped the list when "Dirt Road Anthem" crowned the July 30, 2011, chart, followed by a No. 2 peak with "Tattoos on This Town" in December. "Dirt" remains the artist's best rank and sole top 10 achievement on the Billboard Hot 100 (No. 7). The new No. 1 is the fifth radio single from Aldean's 2010 *My Kinda Party* album. "States" sells 40,000 downloads at No. 7 on Country Digital Songs.

Texas foursome achieves its second top 10 with the second single from the band's third album, *Life at Best* (No. 21 on Top Country Albums). The track also reaches a new peak at No. 21 on Country Digital Songs with 36,000 downloads.

Second single from *Welcome to the Fishbowl* (due June 19) bows as lead track "Feel Like a Rock Star" (with Tim McGraw) falls to No. 18 after peaking at No. 11 on the May 26 chart. It's the first time Chesney misses the top 10 as a lead artist with a proper single since "The Tin Man" (No. 19 in 2001).

BETWEEN THE BULLETS
KIP MOORE HITS NO. 1

Newcomer Kip Moore becomes the fourth artist this year to reach No. 1 for the first time on Hot Country Songs, as "Somethin' 'Bout A Truck" rises 3-1 in its 33rd chart week—a slow climb, but not the slowest of the four first-time chart-toppers during the first five months of 2012. David Nail's "Let It Rain" capped the Jan. 21 chart in its 49th week. The others are Eric Church's "Drink in My Hand" (23 weeks on Jan. 28) and Lee Brice's "A Woman Like You" (27 weeks, April 21). There were only four first-time leaders in 2011.

"Met Him In A Motel Room is a song about hope, and rediscovering faith and answers...
Something so many people are searching for. Both can be found where you least expect it.
And I found a great song and artist when I least expected it too.
I love the song! I love Gwen!"

COUNTRY CHART

COLLECTION

Arts & Charts

The complete Country Music Charts exactly as they appeared in Billboard magazine from 1944 to the present, in high resolution, taken from the celebrated magazine's pages.

From the owner of COUNTRY MUSIC DATABASE® who has one of the largest collections in the world (with records, videos, magazines, books and comics) comes his latest epic project!

More than 70 years of Country Music Charts from the beginning. The volumes are published in random order (like Marvel's beautiful series "The Epic Collection").
